

Event Games for powerful booth engagement

tailored experiences:

craft unique gamification experiences to match your audience's diverse preferences.

motivate & reward:

recognize and reward active participation with a curated selection of exciting incentives directly tied to game achievements.

actionable insights:

turn attendee interactions into valuable data and supercharge your lead conversion.

trivia games

Transform any event into an interactive and educational stage, with games that perfectly align with your brand's message.

Trivia King

Craft **custom quizzes with themes tailored to your brand or industry**. Give level-ups and freebies to raise brand awareness. Let attendees battle it out to become the **ultimate Trivia King** on the live leaderboard!

Beat the Bot

Put your audience's reflexes and knowledge to the test! Challenge them to answer questions faster than our intelligent AI bot. This fast-paced game is sure to spark excitement and friendly rivalry.

Matching Game

Challenge visitors to match product features to corresponding benefits or real-world scenarios. A fun and engaging way to demystify your value proposition and showcase the true impact of your offerings.

Guess the Word

Test your audience's knowledge of your products with this captivating classic game. Provide clues, definitions, or even images, and let the guessing frenzy begin!

Word Buzz

Immerse your audience in a dynamic word cloud experience! This real-time display showcases a flurry of words associated with your client's products or event theme. Participants race to identify and cross out irrelevant words within a set time limit.

Boost Engagement

Enhanced Learning

Brand Awareness

Insights

Our customizable games are not mere distractions but powerful tools to educate and immerse attendees in your narrative.

Slot Machine

Attendees will swarm to pull the virtual lever on our slot machine and see what exciting giveaways the reels land on for them, adding an element of surprise to your event.

Scratch & Win

Feeling fortunate? Attendees can scratch away to unveil hidden surprises and win instant prizes that will fuel the celebratory atmosphere of your event presence.

games of chance

Spin & Win

Let your visitors give a virtual spin to win prizes like exclusive access to whitepapers, free consultations, or product discounts.

Roulette

Give your visitors the chance to embrace the thrill of the game in a friendly atmosphere, place playful wagers and watch the wheel reveal an opportunity to score exclusive event merchandise.

Random Picker

Our random picker extravaganza will choose the next fortunate participant to win incredible prizes and experiences, keeping your event dynamic.

+many more

engagement games

Virtual Puzzle Race

Your attendees compete with each other to complete a brain-teasing puzzle first. Create puzzles related to the product, or service and let participants solve these puzzles on the interactive table or tablets at your booth.

Guess the Number

Test your visitors intuition! Attendees are asked to predict the number of items for a chance to win big. Participants submit their guesses through momencio and the closest guess wins a prize. You gather lead information effortlessly while providing a fun break for attendees

Build your Avatar

Your booth visitors can now unleash their creativity and express themselves by constructing a branded personalized 3D avatar. They can showcase their unique style and win the chance to have their creation displayed through in-booth polls!

Our gamification suite is more than just a set of interactive games; it's a comprehensive solution designed to captivate, engage, and convert.
